Commentaires du Juge: good head and eye. I'd like a better shoulder. Nice depth of rib but would like a little more length to it. Not so settled on the move and rather close behind. A trimming detracts from his nice shape.

Commentaires du Juge: not as happy and outgoing as I would like to see. Nice head. Good front and nice length of rib but a little steep in croup and more angulation at the rear than I like to see. This on the move makes him lose his topline and kick up at the rear.
